WATER RESOURCES
WESTERN REGION

1. We are in the process of finalizing construction of the access road to the land associated with the water transfer (63-32060) as required by the Canyon County Development Services. We must meet this requirement prior to digging a well to which the transfer will be applied. Please extend for 1 year. *JK*

2. POC is undersigned at 208-463-0509 or daniel.lister@us.army.mil
