Hey Jeanie-

I apologize for the delay, I think I was supposed to get this to you a couple of weeks ago, and I never did. Attached are 6 files needed to view the 18.1 acre area we outlined for the 1st fill mitigation, for Dry Creek Partners. Please email me to confirm that you received all 6 files. Thanks for your help Jeanie.

Hi Zach,

I'm sure you tried to send me the shape file for the dry-up acres for the first-fill in the past but my email account wouldn't allow it. I have cleaned it out somewhat so would you try again when you get the chance please? Thanks, Jeanie
