

STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES
REQUEST FOR EXTENSION OF TIME
TO PROVIDE ADDITIONAL TIME IN WHICH TO SUBMIT PROOF OF
BENEFICIAL USE FOR A WATER RIGHT PERMIT

RECEIVED
OCT 06 2006
DEPARTMENT OF
WATER RESOURCES

The Idaho Department of Water Resources will consider this form as a request that the permit holder(s) be granted an additional period of time under the provisions of Section 42-204, Idaho Code in which to complete development of a water right.

Permit No. 65-22986
Name(s) of Permit Holder: Harvey D. Meyer
Address: PO Box 829 City McCall State ID Zip 83638
Telephone No. 208-634-7367 Date Proof is Due: 12/1/2006

Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

None Started to run irrigation lines but can't size the system until we know how many gallons/minute the well will produce. Four Six well drillers have been contacted (repeatedly). Please extend! We're trying!!
Costing \$ 800

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

We have been unable to hire a well-driller. We are on three 'waiting' lists, but now winter is almost here. The construction "boom" in the local area has kept well-drillers busy as far away as 150-200 miles! We fully expect to be able to hire a well-driller in the spring of 2007.

Permit holder(s) request an extension to Oct. 1, 2007, 2007

Harvey D. Meyer

*If other than permit holder, Power of Attorney must be supplied.

ACTION OF THE DEPARTMENT OF WATER RESOURCES

IT IS HEREBY ORDERED that the above request for extension of time be APPROVED and the time within which to submit proof of beneficial use is extended to December 1, 2007.

Signed this 6th day of December, 2006
