PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 72-7555

Dear Anne,

I understand that Cheri Padilla is resolving the ownership of your water rights. I am so glad to hear that good news. This letter will address the filings you have made regarding the above permit.

The department cannot accept both a Request for Extension of Time and a Proof of Beneficial Use ("proof"). However, because of our telephone conversation, I understand that you wish to file the Proof form. Therefore, I am returning the Request for Extension of Time to avoid confusion within the Department's file.

Therefore, the department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Southern Regional Office** of the department in Twin Falls at (208) 736-3033.

Sincerely,

Deborah J. Gibson
