Dear Mr. Jacobsen:

In response to your letter regarding Mr. Arestad's request for extension of time for filing proof of beneficial use, I am attached the department's form for your convenience. The department cannot accept your letter as a request for extension without the proper form completed, accompanied with the proper filing fee, and filed with any department office. Mr. Arestad must sign the request unless you have Power of Attorney for him, which the department will need a copy of. Please file the document(s) before the deadline to avoid loss of priority.

Please contact me at the above number if you have any problems with the transmission of this fax, or if you have any questions.

Sincerely,

Deborah Gibson
