RE: Permit No. 95-9201

Dear Sirs:

Please be advised that I represent Ragnar Arestad, holder of the above reference permit. Pursuant to Idaho Code §42-204, Mr. Arestad is requesting an extension of time to file his Proof of Extent of Beneficial Use. The reason for the request is that Mr. Arestad has not fully developed the irrigation and related piping system at this time, and is in the process of doing so. Mr. Arestad does request an extension of at least one (1) year to complete the process.

Since this the proof is due November 1, 2006, I would ask that you timely respond to this request so Mr. Arestad knows he has time to perfect the required work.

Very truly yours,

Kenneth T. Jacobsen
