RE: PERMIT NO. 96-9252

Dear Permit Holder:

Enclosed is a copy of the request for extension you submitted to the department for the above referenced permit, granting an extension of time for filing proof of beneficial use to **October 1, 2011**. This approved request reinstates the permit since the request was submitted after the proof due date, and the priority of the permit advances to September 9, 2005, as referenced in Section 42-218a, Idaho Code. Please note that the department has granted this extension based on good cause.

It is important that you work diligently toward the completion of the development during the construction period allowed since the department may not be able to grant additional extensions based on good cause.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. The department's website, which provides these forms is at: www.idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
