**RE: Application for Transfer of Water Right No. 37-21808
James K. Figge and Sandra D. Figge**

Dear Allen:

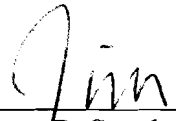

I represent James K. and Sandra D. Figge who recently purchased 40 acres of land from Grace Eakin together with the appurtenant water rights. One of those water rights is a portion of a groundwater right which has been renumbered to 37-21808. The current point of diversion of that water right remains on Grace Eakin's land. The sole purpose of this transfer application is to change the point of diversion to a new irrigation well to be drilled on the land acquired by my clients.

Please call me if you have any questions or comments about the application. Kindly have your secretary receipt date stamp the enclosed copy and return it to me in the postage prepaid, self addressed envelope included for that purpose.

Thank you.

Sincerely yours,
