DEPARTMENT OF
WATER RESOURCES

Dear Sir;

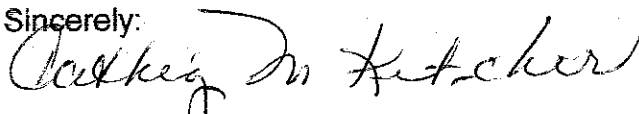

I have recently been made aware of an error associated with the Northside Estates Cooperative Water Company. The IWR was evidently not notified of a change in our organizations administrative structure. This has resulted in information, concerning water rights issues, being sent to a past president of our organization who no longer lives in the area. The individual who has been receiving the information is not a member of our organization and has been having the information, "returned to sender". I have notified the IWR, by telephone, about the situation and was told you needed something in writing.

The information was being sent to:
Northside Estates Inc.
C/O Mr. Larry Hughes, Pres.
6320 Northside Circle
Idaho Falls, Id. 83401

The current President of Northside Estates Cooperative Water Company is:
Mr. Gary George
6180 Jaring Circle
Idaho Falls, Id. 83401
Please send all future information concerning any water rights issues to Mr. George at the above address.

Thank you for your attention and assistance.

Sincerely:

Mrs. Cathey M. Ketcher
Sec/Treas. Northside Estates Cooperative Water Company
