Gentlemen:

Your applications for permit to appropriate ground water in the Rexburg area have been forwarded to this office for processing. We find it necessary to return the applications and your check in the amount of \$50.00 for the following reasons:

1. We normally recognize April 1 to November 1 as the irrigation season for the Rexburg area. Unless you can justify the longer season requested, you should reduce the period to April 1 to November 1.
2. The statutory filing fee for each application is \$55.00.

If you will make the above mentioned corrections and return the applications to this office with the necessary filing fees, we will be happy to begin processing them.

Very truly yours,

RICHARD M. TURNIPSEED
Water Resource Administrator
