Dear Mr. Snedaker:

One of the conditions of approval of your water Permit No. 22-7046 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before JULY 1, 1976. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Dear Mr. Snedaker:

We are once again returning your application for permit and personal check #92-72 in the amount of \$25.00.

Item #4 indicates that you will use 40 inches of water for irrigation purposes. However, under item #5, you have listed the total quantity to be appropriated as $66 \frac{2}{3}$ cubic feet per second. This would amount to only 33 inches of water.

Please clarify this issue and re-submit the application so that we can begin its processing.

Mr. R. Max Snedaker

Thornton, Idaho 83453

Dear Mr. Snedaker:

We are returning your application for permit and personal check #92-72 in the amount of \$25.00. In reviewing the application, the quantity requested under item #4 appears to be excessive and the period of use appears to be somewhat lengthy. Under normal conditions, the Department can approve one inch, or 0.02 cubic feet per second per irrigated acre, and the period of use as April 1 through October 15, which would be the normal irrigation season.

As soon as you have re-submitted the application with the necessary clarification, we shall begin its processing.

Very truly yours,
