

As of This time no change in Ownership  
has taken place as these rights are part of a  
trust which had two trustees, only one of which  
Mr. Crocker: *was my mother. My Uncle Don Crocker*  
*continues to act as trustee.*

The Department has received your Change in Address form but, without the  
information regarding the water right numbers involved, we are unable to process  
your request.

Additionally, it appears that the name of the owner for the water rights may need  
to be changed. If that is the case a Notice of Change in Water Right Ownership  
form should be submitted along with the appropriate support data and filing fees.  
I have enclosed an ownership change form for your convenience.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend  
Secretary
