RE: Amended Statutory Claims 15-4066, 15-4067, and 15-4068

Dear David:

Thanks for sending the notices regarding the place of use for your three amended statutory claims. I appreciate your attempt to save time by completing only the part of the claim forms that needs changed. However, the amended form gives the appearance that it was your intention for the entire place of use to be 90 acres. To be sure that your intent is properly interpreted in the future, it would be better if you could complete the entire claim form again.

I have enclosed three blank claim forms for you. I modified each one so that it shows four rows in the place of use grid. I have also enclosed copies of the claim forms you submitted in June so that you can copy your entries.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,
