Re: Assignment of Permit for Water Right 37-20361

Dear Mr. and Mrs. Sorensen:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Because this water right has not yet been licensed, an *Assignment of Permit* is required to complete the ownership change. Enclosed is an assignment form for your use. Please note that we will apply the \$25 filing fee you previously submitted towards the Assignment of Permit. We are returning the paperwork that you sent as we only require the completed assignment form and filing fee to process the change.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Please feel free to contact this office if you have any questions.

Sincerely,
