Dear Mr. Helms:

The Department of Water Resources acknowledges receipt of the Application for Permit and Application for Transfer on behalf of Clear Springs Foods, Inc. Please refer to the above referenced numbers in all future correspondence regarding these applications.

A legal notice of the applications has been prepared for publication in the **Gooding County Leader on 6/19 & 6/26/03**. Submittal of protests to the application will be allowed for a period ending ten days after the second publication. **(July 8, 2003)**

If an application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an un-protested application is about eight weeks.

Please be advised that we also need additional information as outlined on the enclosed attachment.

Please feel free to contact this office if you have any questions.

Sincerely,

Mary A. Baldwin
