Dear Ms. Davis:

Susan Faulkner, for Diamond A Livestock, contacted me to request that I write a letter that will provide you with the status of two applications for transfer nos. 72177 and 72178, with the Idaho Department of Water Resources. Diamond A Livestock filed these applications on August 8, 2005 and the applications were protested. Because the applicant and the protestants could not resolve the protests, the matter went to a hearing. The hearing officer issued a decision on November 29, 2006, approving the applications with conditions of approval. That decision has become final, which means no further action on the part of the protestants can reactivate the protests. I am enclosing a copy of the Preliminary Order and an information sheet explaining the process of appeal.

If you have any questions, or need additional information, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
