RE: In the Matter of Applications for Transfer Nos. 72177 & 72178, in the name of
Diamond A Livestock, Inc.

Dear Protestants:

Enclosed is a copy of the **NOTICE OF PROPOSED DEFAULT ORDER** regarding the above referenced water right application. According to IDAPA Rule of Procedure 700 states in part that if a party fails to appear or fails to respond to a written information inquiry the presiding officer may serve upon all parties a notice of a proposed default order denying the application. Additionally, IDAPA Rule of Procedure 701 states that within seven (7) days after the service of the notice of proposed default order, the party against whom it was filed may file a written petition requesting that a default order not be entered. The petition must state the grounds why the petitioning party believes that default should not be entered.

If you have any questions regarding the enclosed order, please contact either Mr. Spackman at (208) 287-4943, or myself at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
