RE: Water Transfers Nos. 7211 & 72178
Diamond A. Livestock

Honorable Mr. Spackman,

This letter is in response to Robert E. Williams', Attorney for Applicant, letter dated October 5, 2006.

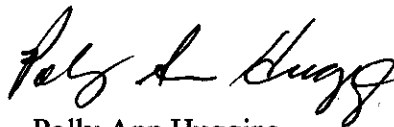

We whole heartily disagree with all statements in this document. Order number three of Mr. Spackman's "Order to Augment Record" stated that "Diamond A and the protestants may submit more recent, additional information about relevant contaminant levels in Gooding County. This information should also identify proximity to the Diamond A. operation." All information we submitted met this requirement.

In addition, Mrs. Elexperu's statements can be documented through public record.

Furthermore, all materials and comments made by Mr. Williams' letter dated October 5, 2006 should be stricken from the record and/or ruled irrelevant, because the documentation's time frame allotted had expired. "It is further ordered that, on or before September 29, 2006 nonsubmitting parties may rebut the additional information" (Spackman letter dated August 24, 2006).

Mr. William's response letter and mailing envelopes are dated October 5, 2006. This is six days past the order date for response. Thus, he did not follow the order laid out by the "Order to Augment Record."

I feel it's important to share a few incidences that give example of the character and integrity shown by Diamond A Livestock over the past year and a half.

I am submitting pictures of a dead dog that has been lying out on the highway for a few days. I woke up this morning and noticed that this animal was placed next to our fence line approximately 300 feet directly in front of our home. Note this field has over 100 acres of high and low spots anywhere of which would have made a better location to dispose of this dead dog.

I am also submitting pictures of a pile of rubble that Diamond A Livestock piled close to our home, in the same field as mentioned above, on April 21, 2005 shortly after we appealed the Diamond A Livestock's truck wash facility.

These are examples of petty acts. Diamond A Livestock shows no regard for their neighbors. How can they possibly be responsible enough to run a commercial business?

The community of Gooding has become very concerned about Diamond A. Livestock's operations. Thank you for all of the hours spent on this hearing.
