Subject: Application for Transfer of Water Right No. 57-7392

Dear Steve,

Enclosed on behalf of F&M Cattle Inc. is an Application for Transfer of Water Right No. 57-7392. This application seeks to add a point of diversion to include a well that has been recently constructed under Permit No. 57-11630 (an amendment to this permit was recently filed). The application also proposes to change the described place of use to clear up an apparent error in the SRBA decreed place of use.

Enclosed is a check for \$100 for this application. Please contact me with any questions or requests for additional information.

Sincerely,

Scott N. King, P.E.
Senior Project Engineer
