Jim,

I can put these aside for about another week. As you may have heard, we are making an effort to print preliminary findings by November 17, 2006. We plan to hold public meetings in Sun Valley on December 5-6, 2006. We can certainly consider any additional information you receive during the Notice of Error period.

Have a good weekend,
Cynthia

Cynthia,

I have your letter of October 19, 2006. I have been trying to contact the owner of the ranch at the time in question. He will probably know how the lands were irrigated. Although he's 80+ he's still pretty sharp. Please give me a little more time to get that information. Call if you have any questions. Thank you.

Jim
