### Memorandum

**To:** Transfer 68499

**From:** John Freitag

**Re:** Review

**Date:** 06-21-01

---

This transfer was amended on June 14th 2001 by the Willetts to include future expansion of their PPU. Added rights are 43-4111, 43-2282, 43-4109, and 43-10500.

This transfer is proposing to tie 5 wells together and create a permissible place of use.

There are several surface water rights that overlap the permissible place of use. These rights are: 43-229, 43-11201, 43-314, 43-191A, 43-191B, 43-177B, and 43-177C. There are also some D&S rights, but no other Irrigation rights appear to overlap in the PPU for this transfer.
