**Department of Water Resources
Southern Region**

June 22, 2000

To Whom It May Concern:

Jodee Willett has connected the pipelines from the 4 wells (water right #'s A43-0229, A43-02298E, A43-0216, A43-02395, A43-04130B) together in the event that one of the pumps should need repair. This action will not effect the water rights on the property that I hold the mortgage on. Therefore, I support his action in adding the proposed points of diversion.
