Reed,

See e-mail below from Corey Skinner. He is needing a letter from the lien holder or mortgage holder concurring with the transfer from irrigation to the new facilities. This pertains to the transfer application submitted by Daren back in April 2006. IDWR is now getting around to processing it. If there is no lien holder, then they can continue processing.

Chuck,

While working on this transfer, I discovered that the lien holder letter was not submitted with the transfer. Could you check in your file(s) in case Darren forgot to include it with the application. If you don't have a lien holder letter, we will need to solicit a lien holder letter from the applicant before processing of the application can continue.

Thanks,

Corey
