Re: Petition to Intervene-Application for Transfer of Water Right # 72488 for the City of Arco

Dear Director:

I James Wasylow, wish to petition to intervene the application for water rights transfer #72488 for the following reasons:

1. I have a domestic water right, which is near the proposed new point of diversion. I feel the new well will jeopardize my right.
2. I was not aware of the legal notice for Application For Transfer of Water Rights filed by the City of Arco, or I was under the assumption that the protests filed would be sufficient for a resolution in this matter.

Respectfully submitted,

there is several of us that oppose this.
