Re: Water Right Application(s) 79-14186

Dear Ms. Floyd:

Attached are copies of one or more applications that may be of interest to you and/or to a local District Health office should you choose to delegate review of the application(s) to that organization. Please contact the applicant(s) if your agency and/or District Health have concerns about the application(s). It is not necessary to provide agency comments to the Idaho Department of Water Resources (IDWR), although your comments are welcome if you think IDWR would benefit from them.

If your agency and/or a local District Health office desires to file a formal protest against approval of the application(s), a written protest along with the \$25.00 protest fee for each application protested must be received in this office by February 26, 2007

Please contact this office at 334-2190 if you have any questions regarding the application(s).

Sincerely,

Denise Buffington
Administrative Assistant
