RE: Application for Transfer of Water Right 72385
Right 1-181c

Dear Applicant:

I received your letter of 12-11-2006 today regarding the above referenced transfer draft approval. I appreciate your timely response, however it did not include the requested information.

Condition No. 9 of the Draft Approval references that the Settlement Agreement be recorded in both Bingham and Bonneville Counties. I requested that you provide documentation that these recordings have been made so that the recording numbers can be included in the conditions of the transfer approval. A copy of the first page of the agreement with the recording numbers visible would be sufficient to document the file.

The original 12-01-2006 letter provided all the settlement agreement parties 30 days to comment. After that period, if we have received the necessary county recording numbers, the draft approval will be updated and prepared for final approval.

If you require additional information regarding this matter, please call me directly at (208) 287-4951, e-mail me at pam.skaggs@idwr.idaho.gov or contact me by mail, and I will be happy to assist you.

Sincerely,

A handwritten signature in cursive script that reads 'Pamela S. Skaggs'.
