RE: Water Right #'s 67-519 and 67-11447

To Whom It May Concern:

Enclosed is a Notice of Change in Water Right Ownership for the above referenced water right numbers. I believe #67-519 needs to be split and possibly 67-11447 needs to be split, also. I have included a copy of the Warranty Deed and plat map for the parcel that the Winston's have purchased from Messersmith. There are also copies of the two Warranty Deeds showing Sybil & Harvey Clark III (who are listed as the current owners per my search on the internet) conveying the property to Messersmith.

As a courtesy, in hopes that you can determine if one or both of these water rights go to the Winston's & if #11447 should also be split, I have included a copy of the Warranty Deed and survey plat map for a portion of land that Messersmith sold off last year through AmeriTitle.

I hope this helps. If I can provide any other information to you, please let me know.

If there is a fee due, please contact the new owners.

Yours truly,

Paula Thomsen
