Dear Pamela:

We have reviewed the Draft Approval of Transfer 72385 and the conditions that have been included therein. The transfer and the conditions appear to be in agreement to the terms that were agreed upon by the City of Blackfoot and the other parties to the transfer in our meeting dated June 2006.

We therefore request that you move forward with the processing of Transfer 72385 as soon as possible.

Sincerely yours,

Mike Virtue, Mayor
City of Blackfoot
