Dear Mr. Morgan:

This letter acknowledges that on this date you filed water right transfer application # 72741, in the name of Cody & Kathy Morgan, with our office. The application proposes modifying several water rights for a CAFO located within Section 26, Township 09 South, Range 21 East, B.M. in Jerome County. The application proposes allowing for the diversion of 0.55 cfs and 127.2 acre-feet per year from two existing wells for stockwater &/or commercial use associated with the CAFO. As we discussed, the application will be processed by the Department and will be subject to public notice and protest. As of this date, the Department cannot necessarily guarantee that the application will be eventually approved, but the application is complete and acceptable for processing by the Department.

If you have any questions, or if I can be of any further assistance, feel free to contact me at your convenience.

Sincerely,
