RE: Application No. 72-10897 to Appropriate Water in the Salmon River Drainage

Dear Applicants:

Thank you for your prompt response to our 11/06 request for additional information regarding your application.

The Department is once again reviewing your application using criteria of the Wild and Scenic Agreement between the state and the federal government as well as pursuant to Water Appropriation Rules (IDAPA 37.03.08).

A perusal of the file indicates we are still missing some agency comments regarding your proposed application. Please contact **Tom Curet in the Salmon office of the Idaho Dept of Fish & Game at 208-756-2271** and **Troy Saffle in the Idaho Falls office of the Idaho Dept of Environmental Quality at 208-528-2650** to obtain their written agency recommendations.

If you have any questions, please feel free to contact this office or contact Shelley Keen at 208-287-4947 in our state office.

Sincerely,

Mary Baldwin
Administrative Assistant I
