RE: Application No. 72-16686 to Appropriate Water in the Salmon River Drainage

Dear Mr. & Mrs. Challis:

Thank you for your prompt response to our 6/23/06 request for additional information regarding your application.

The Department is once again reviewing your application using criteria of the Wild and Scenic Agreement between the state and the federal government as well as pursuant to Water Appropriation Rules (IDAPA 37.03.08).

A perusal of the file indicates we are still missing a comment from the **Idaho Dept of Fish & Game** regarding your proposed application. Please contact **Tom Curet in the Salmon office at 208-756-2271** to obtain their agency's written recommendation.

If you have any questions, please feel free to contact this office or contact Shelley Keen at 208-287-4947 in our state office.

Sincerely,

Mary Baldwin  
Administrative Assistant I
