Dear Deborah:

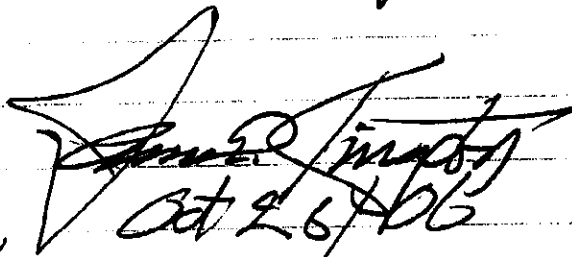

As per our Phone talk on
Oct 25/06.

Due to unknown med. condition
in June 07, I may or may
not be able to attend a
hearing in June 07.

However - our Attorney will
be there and at least, I will
be on Phone if possible.

The last 2 weeks in June would
be my best chance.

Also School will be out and
People will be at lake - This will
allow witness without special trips.
