Dear Roger,

I had asked for notification of any special meetings of the Board and, since I hadn't heard of any, I emailed Jock yesterday to ask if they had set a meeting. This was the reply to my email. I have now emailed Jock asking for the date and time of the meeting held and also for the basis of their decision to charge for discovery.

Thanks,
Kathleen

Good Morning,

Yes, Richard Borst and Tim Murr came to my cabin on Sunday, Sept 3, and wanted to have a special meeting. I informed them that they needed to post a notice 24 hours in advance and notify patrons of the meeting. I have no phone and had company for the Labor Day Weekend and had no plans to leave to go to my office. They posted a notice of a special meeting at the Fire House and said that they notified Col. Rondeau and others at the Lake. A special meeting was held at the Fire House with R. Borst, Tim Murr, T. Jensen, K. John and myself present. Nothing was decided other than to have Doreen Mildon work on the responses for Discovery.

Jock

Jock,

Has the Board set a special meeting yet?
