Dear W Roger Warner,

SUBJECT: APPLICATION TO APPROPRIATE WATER 75-14301 -ADDITIONAL INFORMATION REQUEST

As requested in your letter of July 18, 2006 below is the information requested per Water Appropriations Rules 40.05.c-g. I have addressed each of these areas to the best of my knowledge. If you have any questions/concerns I can be reached at 208-360-0637.

Water Appropriations Rules 40.05.c:

i. The point of diversion is given the Application for Permit 75-14301. I would like to point out that the point of diversion already exists. In addition, there is also an Idaho Fish and Game screen at the point of diversion.

ii. Not applicable. The proposed use is not a well.

iii. The requested pond will be built in-line with the ditch. Within a few hours the pond/ditch will begin flowing normally with no impact to other water users.

Water Appropriations Rules 40.05.d:

i. Addressed in the Application for Permit 75-14301.

ii. Addressed in the Application for Permit 75-14301.

Water Appropriations Rules 40.05.e:

i. I am unaware of any possessory interest in my property.

ii. As requested by Troy Saffle of IDEQ I emailed Rob Brochu of the Army Corps of Engineers. If a permit is needed I will provide you with a copy.

Water Appropriations Rules 40.05.f:

i. The cost to widen the ditch is well within my means.

ii. The cost to widen the ditch is approximately $2000.00. This is based on 8 hours of backhoe work digging, leveling, etc. at $125/hours.

Water Appropriations Rules 40.05.g:

To address this requirement I have been in touch with Troy Saffle of the IDEQ. Troy and I discussed my
