Re: Amended Application for Permit No. 47-17314

Dear Applicants:

The Department of Water Resources acknowledges the changes to your application for permit as referenced above.

This office will be advertising the Amended Application in the **Times News on 2/1 & 2/8/07**. A period of ten days following the second publication will be allowed for the submittal of protests. **(2/20/07)**

If the Amended Application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the Amended Application is not protested, it will be forwarded to our State Office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
