Re: Application for Permit 21-13048

Dear Sharla:

I would like to withdraw my protest of the above mentioned application for a water right. I request that you cancel the pre-hearing conference scheduled for February 5, 2007.

I believe this water application to be contrary to conservation of water resources within the State of Idaho. I hope that IDWR will look closely at how this water will be used and how this development group plans to use a surface water right.

Sincerely,

Janet L. Keefer
