Subject: Fw: Water right pre-conference hearings

Sharla,
Below are the open dates for the Field Manager in Challis. My open dates are in blue below.

Did you get the letter out on the protest of our Transfer #69923? We should have pre-conference hearing the same day this and Application 73-11973.

The protest of Application 73-12039 by Doris Tunney should be dropped any day because she reached an agreement with us for a new right-of-way (see Dave's comment below). We should hold off scheduling a pre-conference hearing on this one and see if she drops her protest as we requested.

thanks, al

I'm open (as of today) 2/20, 2/23 - 2/28, 3/1 - 3/10, 3/20 - 3/31 and booked the rest of the months.
Alan is open 2/22 -2/24, 3/1 -3/10, 3/20 -3/31.

Doris Tunney has accepted the latest ROW stipulations which included dropping the water right protest. I haven't heard one way or another as to whether or not she actually dropped the protest. Let Jan and I know if you

hear she hasn't. I haven't signed the actual grant yet, tho she has signed and submitted payment.
