RE: Application for Permit No 21-13048

Dear Mr. Warner:

We are writing at the request of our client, Wilderness Development Group, LLC, who has brought to us the above entitled matter involving an Application for Permit which has been protested by one Janet Keefer of Ashton, Idaho. Our clients have indicated that they think it will be necessary to hold at least a pre-hearing conference, if not a full hearing on the protest. We are writing to request that you schedule the pre-hearing conference as soon as possible in this matter. If you will send us the standard calendar availability information, we will try to provide that information as quickly as we can. Our expert will be Dr. Charles G. Brockway and we will need to check his availability as well.

Thank you for your kind attention to this matter.

Yours very truly,

Kent W. Foster
