RE: Transfer No. 5400 (66820), in the name of L & S Partner

Dear Interested Parties:

On December 6, 2006, the Department of Water Resources issued a Preliminary Order Rescinding Transfer Approval of the above referenced transfer. In the Order, under "Conclusions of Law," line item #3 - stated the Department should perform the appropriate review of the amendment and publish amendment before further action be taken.

A legal notice of the amended application has been prepared and is scheduled for publication in the Challis Messenger on January 11 and 18, 2007. Submittal of protests to this application will be allowed for a period ending ten days after the second publication (January 29, 2007).

If the application is protested, you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved.

Please feel free to contact this office if you have any questions.

Sincerely,

Sharla Cox
