Re: Application for Transfer No. 72756

Dear Watermaster:

This office asked for your written comments on September 1, 2006 regarding an application filed by Boulder Irrigation Company. A copy of the application was included in that letter.

An email reminder was sent to you on November 13, 2006 to seek your comments. You made an email reply but did not include any watermaster comments.

A telephone message was left at your number on November 27, 2006 to once again ask for your comments.

The department cannot approve the transfer without your written recommendation. This requirement is mandated under Section 42-222, *Idaho Code* (copy attached).

Please provide your Watermaster recommendation by **December 15, 2006** to allow the application to be approved without further delay. You are welcome to send your comments by email if you prefer – please send to me at steve.lester@idwr.idaho.gov if you prefer email.

Please contact me at 208-334-2190 if you have any questions regarding the application. Thank you for your attention to this matter.

Sincerely,
