Dear Water Right Holder:

The department acknowledges receipt of correspondence regarding your security interest in the water rights referenced above. The department has modified its records to reflect the changes and has enclosed a computer-generated report for your records.

Your original correspondence listed certain records that are not referenced above. Right 43-2371 was previously split (to 43-12967) and processed through transfer 72527.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For Jeff Peppersack, Manager
