RE: Change of Ownership for Water Right Nos. 43-2368, 43-4028A, 43-10490, 43-10496,
43-10497, 43-10498, 43-10499, 43-10811, 43-10812 and 43-11218

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Your original correspondence included changes for claim 43-11219. The claim was withdrawn from the Snake River Basin Adjudication and is not a valid record. Your original correspondence also included changes for 43-2371 (split to 43-12967), and 43-10499. Owner changes were accomplished for those records through transfer 72527. The assignment of application for permit 43-7223 was forwarded to our Southern Region office in Twin Falls for processing.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For 
Jeff Peppersack, Manager
Water Right Permits Section
