Dear Permit Holder:

The permit is a PRELIMINARY ORDER issued by the Department pursuant to Section 67-5243, Idaho Code. It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

As a permit owner you must commence the excavation or construction of the diverting works within one year of the date the permit was issued, and you must proceed diligently until the project is completed. The date shown under condition no. 1 is the date when the project must be completed.

The Department will send you a 'Proof Due Notice' approximately 60 days prior to the above referenced date requesting you to file either a Proof of Beneficial Use form or a Request for Extension of Time form.

Please note that a separate stream channel alteration permit must be obtained from the Department prior to any activity in the stream channel other than construction or maintenance of the diversion structure for your water right(s). Applications for stream channel alteration permits must be filed a least sixty days prior to the commencement of work in the stream.

TO ACCOMPANY A
PRELIMINARY ORDER**

The accompanying order or approved document is a "Preliminary Order" issued by the department pursuant to section 67-5243, Idaho Code. It can and will become a final order without further action of the Department of Water Resources (department) unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the department or the Idaho Water Resource Board (Board) is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its issuance if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) the petition for reconsideration is disposed of; or
- (b) the petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

Comment: This application was filed for ponds that fill naturally with water from overland flow and runoff. Ponds have been filed as on stream storage and if they fill naturally this would be the case. The irrigation season for this area is 4/1 to 10/31 so have updated the irrigation storage and irrigation from storage uses to show standard season. No place of use overlap for irrigation use. Good afternoon, Carol and Jean,

Attached is a cover letter requesting publication of a legal notice (also attached) on April 15 and 22, 2004.

You should be able to just open the legal notice and do a copy and paste for setup - but if you have difficulty doing that, perhaps you could just forward it on to the person in Coeur d'Alene that does setup for your legal notices.

If you have ANY questions, please call me (208-769-1450) or e-mail me.

I AM ALSO GOING TO FAX THIS TO YOU SO YOU WILL HAVE A HARD COPY IF YOU HAVE DIFFICULTY DOING THE COPY/CUT AND PASTE.

Again - please send fax of proof prior to publication - it helps me to double check my work.
Thanks ever so much, and have a marvelous day.

RE: Water Rights

Dear Mr. Ronninger:

We are writing to inform you that it appears that you may be irrigating property not covered by a valid water right. After speaking with a member of the Hudlow property, we understand that you are leasing some of their property. They asked us to contact you regarding water right issues.

We recently drove by your property located west of Highway 2 and observed what appears to be approximately 12 acres of irrigated potatoes. And there were two sets of hand-line sprinklers in the field.

After researching our records, we cannot find a water right under your name, nor can we find a water right to irrigate 12 acres within the legal description of this property.

A diversion of water for 12 acres of irrigation which is not covered by a valid water right is considered an illegal diversion of water. You must file the enclosed form called "Application for Permit" with our office immediately. If we have not heard from you within 5 days of the date on this letter, we will issue a Cease and Desist Order. If the Cease and Desist Order is not obeyed, you could face civil penalties for diverting Public Water without a valid water right.

If we can be of any assistance, or if you have any questions, please feel free to contact this office.

Sincerely,

Allen Beardslee
