This office did not receive either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time. You were provided the proper form in our proof due notice to you dated August 31, 1988.

Your permit cannot be reinstated unless you submit proof of beneficial use or submit an extension of time request showing reasonable cause for delay. Either the completed proof of beneficial use submittal (including the examination fee or a completed field examination report) or the extension request form together with the \$15 fee must be received by this department within sixty days of the date of mailing of this lapse notice or the permit will no longer be of any force or effect.

A proof of beneficial use form and a request for extension of time form are again enclosed for your use. Please note that only one extension of time can be granted unless the project has not been completed because of lack of a necessary approval by a governmental agency or by litigation which might bring title to the water in question.

PROOF DUE NOTICE

RE: PERMIT NO. 96-08005

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before November 1, 1988. (See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a complete field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this department on or before the above described proof due date. If neither is received, the department will send you a lapse notice. Within sixty (60) days of the mailing of the lapse notice, the permit will no longer be of any force nor effect.

SINCERELY,

Rita Fleck

PROOF DUE NOTICE

RE: PERMIT NO. 96-8005

DEAR PERMIT HOLDER:

ONE OF THE CONDITIONS OF APPROVAL OF THE ABOVE REFERENCED WATER PERMIT WAS THAT PROOF OF THE EXTENT OF YOUR BENEFICIAL USE MUST BE SUBMITTED TO THIS OFFICE ON OR BEFORE NOVEMBER 1, 1986. (SEE LAST PAGE OF YOUR APPROVED PERMIT OR YOUR LAST APPROVED EXTENSION REQUEST.) ENCLOSED IS A FORM WHICH WHEN ACCOMPANIED BY THE LICENSE EXAMINATION FEE OR A COMPLETED FIELD EXAMINATION REPORT PREPARED BY A CERTIFIED WATER RIGHT EXAMINER MAY BE USED TO SUBMIT THE REQUIRED PROOF.

IF YOU HAVE NOT FULLY COMPLETED YOUR PROJECT, AND YOU OR A PREVIOUS OWNER OF THIS PERMIT HAVE NOT RECEIVED A PRIOR EXTENSION OF TIME, YOU MAY REQUEST AN EXTENSION OF TIME IF THE DELAY IS FOR REASONABLE CAUSE AS PROVIDED IN SECTION 42-204, IDAHO CODE. Dear Mr. Factor:

We are returning your Check No. 16-1606 in the amount of \$55.00 and your Application for Permit to allow you to clarify Item No. 4 and to complete Item No. 5.a.

In Item No. 4, the domestic portion appears to be accurate and complete. The stock water however, appears to be excessive for 100 head of cattle, since the typical amount of water for 100 head is 0.03 c.f.s. The irrigation portion must be in c.f.s., therefore, the maximum allowable amount for 100 acres of irrigation is 2.0 c.f.s. I do not understand the last portion of Item No. 4.

If you are planning to raise fish and/or fur bearing animals commercially, it will be necessary for you to describe in depth the method of procuring the water, the number and size of raceways, the poundage of fish to be raised and you must contact the Idaho Department of Fish and Game to meet their requirements concerning fur-bearing animals. If you are attempting to establish rights to natural stream flow, this is not possible. The Idaho Department of Fish and Game is the only entity empowered to do this.

You must complete Item No. 5.a., since all the proposed uses are consumptive uses. Using my figures and omitting "Fish and Fur", the total would be 2.13 c.f.s. and the filing fee would be \$85.00.

I am enclosing a set of instructions in hopes that it might help you in clarifying your application. If you have any questions, please contact me at this office.

Sincerely,

TOM D. KING
