Mr. James H. Raymond
Route 1, Box 64
Sandpoint, Idaho 83864

Dear Mr. Raymond:

We have received your letter of January 19, 1971. In order for you to obtain the water license covered by Permit No. 96-2091, it will be necessary to pay the \$4 licensing fee before February 24, 1971. As soon as we are in receipt of this fee, a water license will be issued as follows:

0.2 cubic feet per second of water from Turnip Seed Creek tributary of Pend O'Reille River with a point of diversion within the NW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 17, T. 57 N., R. 2 W., B.M., for Domestic and Irrigation of 10 acres within the N $\frac{1}{2}$ SW $\frac{1}{4}$ Sec. 17, T. 57 N., R. 2 W., B.M. The priority date established is December 8, 1919. This license will be issued in the name of Charles A. Sturmer.

You should be advised that once a water permit is licensed it becomes appurtenant to the land and the owner of the land is the owner of the water right even though the license is not in his name. Therefore, if you own the 10 acres within the N $\frac{1}{2}$ SW $\frac{1}{4}$ Sec. 17 that are to be licensed under Permit No. 96-2091, you would own the water right.

If you have any further questions, please feel free to contact us.

Dear Sir:

Referring to your letter of the 29th ult., would say that two proofs are required to be made under each permit, as will be shown in the approval on the back of the original permit mailed to you. The first proof is for completion of works which proof was duly made and the certificate issued and mailed to you with receipt for your \$5.00 fee. This second proof is for the beneficial use of the water. It is upon this proof that the final license is issued for a perpetual right to the use of the water filed upon. Under the terms of your permit this proof of beneficial use is due December 31, 1924.

Notice of this proof is required to be published four full weeks prior to the date upon which proof is made, and the depositions of the holder and two witness filled out before a notary public, on the date set for proof. The blanks mailed to you should be filled out and returned to this office in time for a copy of the notice to be sent to the paper direct from this office for publication, the paper to be designated by you upon the circular letter mailed to you with the blank notices.

PROOF OF COMPLETION OF WORKS

Mr. Cahs A. Sturmer,
Sandpoint, Idaho.

Boise, Idaho,

Sept. 2, 1921.

Dear Sir:—

Under the terms of your permit No. 14468.....you are required to complete your diversion works on or before Dec. 31, 1921. I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.

The certificate to be issued under this proof will not give a perpetual right to the use of water for which application was made, as it only confirms the completion of works of a capacity to divert and convey to the place of intended use a certain amount of water. The law requires that another proof be submitted when the water has been fully applied to a beneficial use, at which time license is issued for the amount of water actually in use. Information in regard to this last proof will be furnished on request.

Re: Application Unacceptable.

Charles A. Sturmer,
Box 653,
Sandpoint, Idaho.

Dear Sir:

Your application, filing on one-fifth cubic foot of waters of Turnipseed Creek, is returned to you as unacceptable, as the same was not accompanied by the required fee, which, on the amount claimed, is \$1.00.

Fill in paragraphs 7, 8, 9, 10, and 11. Paragraphs 4 and 14 must agree with the maps. Indicate the north point on the maps.

Yours very truly,

W. G. SWENDSEN,

Commissioner of
Reclamation,
