STATE OF IDAHO.

Water License No. 5037

WHEREAS, On the 30th day of June A.D. 1909, CYRUS TURNBULL, of Sagle, County of Bonner, State of Idaho, duly made application (No. 7022) to me for a permit to use .5 of 1 cubic foot per second of the waters of a small spring, County of Bonner, State of Idaho, for domestic purposes; and

WHEREAS, On the 6th day of August, A.D. 1909, Permit No. 5037, was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 6th day of February A.D. 1910, and for the application to beneficial use of said water on or before the 6th day of February A.D. 1910, and

WHEREAS, On the 5th day of February, A.D. 1910, CYRUS TURNBULL, the holder of said permit duly made proof of the completion of adequate works for the diversion of .5 of 1 cubic foot per second of said waters, as evidenced by my Certificate No. 5037, dated March 9, 1910, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use .5 of 1 cubic foot per second of the waters of said small Spring, with date of priority of June 30, 1909, and

WHEREAS, On the 5th day of February A.D. 1910, CYRUS TURNBULL, the holder of said permit duly made proof of the application to beneficial use of .5 of 1 cubic foot per second of said water:

NOW, THEREFORE, By virtue of the authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to CYRUS TURNBULL, of Sagle, County of Bonner, State of Idaho, the holder and owner of said Permit No. 5037, a perpetual right, dating from June 30, 1909, to the use of .5 of 1 cubic foot per second of the waters of small spring, in the County of Bonner, and State of Idaho, or so much thereof as may be necessary for the purposes herein below mentioned, to be diverted at a point S. 86° 03' E. 1045 feet from the Northwest corner of section 19, of Township 56 North of Range 1 West of the Boise Meridian, and conducted to the (northeast quarter of northeast quarter of section 24, township 56 North of Range 2 West of the Boise Meridian, for the purpose of domestic use, subject, however, to the laws of the State of Idaho applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this 39th day of March A.D.

Nineteen hundred and ten.

(SEAL)

Recorded March 9, 1910.

Re: 96-2029

Enclosed is a copy of Water License No. 5037/96-2029 which was filed in the name of Cyrus Turnbull.

As long as you intend to use the water for the same use and in the same amount as shown on this license, you need not make application, since the water right was transferred to you when you bought the property, unless it was specifically excluded in the deed.

If you have any further questions, please do not hesitate to contact this office.

Sincerely,

Patricia M. Stypa
Secretary
