Ms. Cox:

The Pocatello Field Office of the Bureau of Land Management (BLM) is sending you this letter withdrawing our protest on the new Applications for Water for the Sam's Hollow Water Company, application numbers 11-7481 & 11-7491.

The removal of T16S R43E S10 SENW & NESW from the applications for both 11-7481 & 11-7491 has satisfied our concerns with this application for a new water right.

If you have any questions please feel free to contact Wendy Velman, Water Rights Specialist at 478-6352, or myself at 478-6341.

Sincerely,

Wendy Reynolds
Acting Field Office Manager
