Your recent e-mail and phone call

Dear Shelley,

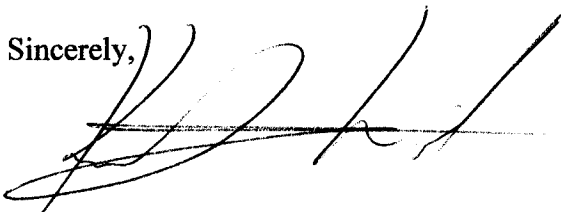

Enclosed is a check for \$25.00 per the attached e-mail for processing transfer of Permit 87-7197 from Thomas Janson to Canterwood Estates Homeowners Association, Inc.

I received your telephone message indicating the field report was in the CDA office and would be sent to you for processing.

As I indicated in my October 25 letter, we are having an Association Annual Meeting this coming Thursday evening, 11/9. If you have any update by that date, please either e-mail me or call with the information.

Thanks for your assistance.

Sincerely,

Subject: Assignment of Water Right Permit

To: <bkwick@moscow.com>

Mr. Wick,

This afternoon IDWR received your letter and the *Assignment of Permit* form for Permit 87-7197. *Idaho Code* Section 42-221E requires IDWR to charge a fee of \$25.00 for processing an assignment of permit. The assignment will be processed as soon as IDWR receives the fee.

When sending the fee, please be sure to include a note indicating that it is for the assignment for Permit 87-7197.

I have not yet received Wayne Baldwin's field report from our Coeur D'Alene office, but it should arrive early next week.

Sincerely,

Shelley Keen
