Subject: Assignment of Water Right Permit

Mr. Wick,

This afternoon IDWR received your letter and the *Assignment of Permit* form for Permit 87-7197. *Idaho Code* Section 42-221E requires IDWR to charge a fee of \$25.00 for processing an assignment of permit. The assignment will be processed as soon as IDWR receives the fee.

When sending the fee, please be sure to include a note indicating that it is for the assignment for Permit 87-7197.

I have not yet received Wayne Baldwin's field report from our Coeur D'Alene office, but it should arrive early next week.

Sincerely,

Shelley Keen
