Ref: Permit to Appropriate Water No. 87-7197

Dear Shelley,

After six months of waiting, I finally received the signed *Assignment of Permit* from Mr. Thomas Janson to transfer Permit No. 87-7197 to Canterwood Estates Homeowners Association, Inc.

As I had indicated on the phone message to you, Wayne Baldwin completed his field survey on September 8, 2006. You responded and indicated you had not yet received the field report and would contact the CDA office to determine where that was.

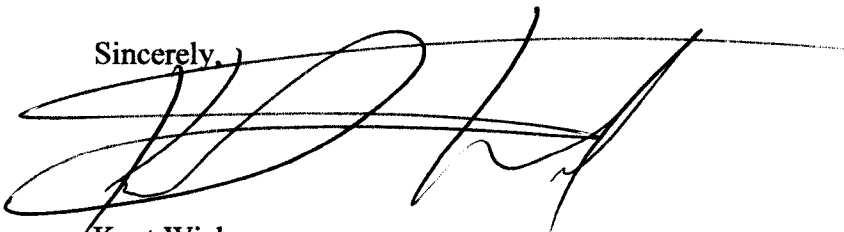

We are having our Association Annual Meeting, November 9, 2006. As President of the Association, I would like to give a positive report to the membership at that meeting of the progress of transfer of ownership and final licensing of the water rights.

Enclosed is the *Assignment of Permit* signed by Mr. Janson, and a copy of the Quitclaim Deed transferring the wellhead protection easements to the Association (dated 12/26/96).

I will be out of town from Thursday, October 26 to about November 4. I can be contacted during that time on my cell phone at 208 596-6838 if you need anything else.

Thank you.

Sincerely,

Kent Wick
